Crizal Sun™

Reducing Backside Glare and Eye Strain — Year Round!

- Backside anti-reflective (AR) virtually eliminates annoying glare and reflections, reducing eye strain and fatigue
- Dual-sided, fully integrated hard coat for unsurpassed durability and scratch protection
- Dual-sided, fully integrated super-hydrophobic properties make it the easiest sun lens to clean
- Patented Crizal® process preserves original lens color
- The best protection and the highest levels of comfort and clarity from any sun lens in the industry

Recommend Crizal Sun on all Essilor Polarized single vision and progressive lenses for the most premium Sunwear available.
